

Even if you're not a wine drinker, you may get a chuckle out of these. In fact, if you're not a wine drinker, you may even get more of a chuckle. In either, or any, case ... chuckle on.

I've got salad for dinner.
Actually fruit salad.
Well, mostly grapes.
Ok all grapes.
Fermented grapes.
Wine.
I've got wine for dinner.

Sometimes when I reflect back on all the wine I drink I feel shame. Then I look into the glass and think about the workers in the vineyards and all of their hopes and dreams. If I didn't drink this wine, they might be out of work and their dreams would be shattered. Then I say to myself, "It is better that I drink this wine and let their dreams come true than be selfish and worry about my liver."
~ Jack Handy

People who wonder whether the glass is half empty or half full miss the point. The glass is refillable.

DID YOU KNOW
THAT 2 TO 3
GLASSES OF WINE
PER DAY CAN
REDUCE YOUR RISK
OF GIVING A SHIT.

I only drink
a little,
but when I do,
I turn into
another person,
and that
person drinks
a lot.

Not to get
technical...
but according
to chemistry
alcohol is
a solution

Dear alcohol,

We had a deal that
you would make me
prettier, funnier and
a better dancer.

I saw the video, we
need to talk.

OF COURSE
SIZE MATTERS
NO ONE WANTS
A SMALL
GLASS of WINE

ARE YOU DRUNK?

YES

NO
